# "Another impressive year for A-Level results"

St Joseph's students celebrated outstanding successes in their A-level results, marking yet another year of excellent academic and personal achievements for students at the school.

# Over 55% of results were A*/A grades

***Well done everyone for all your achievements in such unprecedented times!***

***94% of all grades achieved by Year 13 last year were from A* - C***

*"We are thrilled with the outstanding success of our students in the Sixth Form, with such a high number achieving the top grades. Every student who applied to university was accepted to study their chosen courses along with others who have gone onto Higher Apprenticeships and the world of work. The staff go that extra mile for the students. These results demonstrate that the school is continuously providing high quality education to students and that our young people feel challenged and supported to achieve their very best."*
