St. Joseph's School and Sixth Form

Becoming fully human in Christ

10th September 2021

Dear Parent,

What a busy first week back we've had! Thank you for all your support. It's clear that our young people are very happy to be back in school – even if some of them are reluctant to admit it!

A special welcome to all our new students who have joined us in Years 7 and 12. First impressions suggest that they will make a great success of their new school.

As you will probably know, COVID-19 has not gone away but we are in a better place than we were, and it is good for our students and staff to experience less burdensome restrictions.

While we remain sensible and cautious, we are working carefully to reintroduce enrichment and extra-curricular activities for our students. We know how much they have missed sport and clubs.

We will keep you updated as we introduce new opportunities for our young people.

Best wishes,

E. Scourfield.
