St. Joseph's PE/Games Kit & Uniform Update

July 2017

Dear Parent / Guardian of KS3 & KS4 Pupils from September 2017

From September 2017, all KS3 pupils (Yr.7,8,9) will be expected to wear our re-designed PE/Games kit. The design of the kit has been developed and created by our pupils who have submitted a combination of ideas from a competition that ran earlier in the year. We are very excited to now see our new, bespoke kit out on display and on sale from our exclusive supplier, Bergoni.

The new PE/Games Kit is compulsory for all KS3 pupils. KS4 pupils (Yr.10 & 11) have the option to purchase and wear the new kit, or continue wearing our existing PE/Games kit.

We successfully introduced a blazer as an additional and important element of our school uniform in September 2016. All pupils in Yr.7,8,9 & 10 will now be expected to wear a blazer from September 2017 as part of our standard uniform requirements.

All our uniform items can be purchased from two authorised suppliers that are listed at the bottom of the page. Please refer to the attached visual guide which explains all uniform and PE/Games kit items that will be required for the start of our new academic year in September 2017.

Please can I also take this opportunity to remind you that school trousers and skirts should be black and not made of denim or stretchy materials. Skirts need to be knee length, not stretchy or clingy and worn with black tights, not socks. Plain black flat-heeled shoes are required for both boys and girls. From September, St.Joseph's school hoodies will not be worn anywhere in school. **There will be no place for hoodies of any description inside or out, whilst pupils are on our school site.**

We appreciate your support and assistance with us on the issue of our school uniform and look forward to a new academic year where all our pupils are suitably dressed and ready for learning.
