

## "Another impressive year for A-Level results"

St Joseph's students celebrated outstanding successes in their A-level results, marking yet another year of excellent academic and personal achievements for students at the school.

# Over 39% of results were A\*/A grades

*Well done Jasmyrn who achieved 5 A\* grades and is now in Cardiff University studying Pharmacy.*

*80% of all  
grades achieved  
by Year 13 last  
year were  
from A\* - C*

*"We are thrilled with the outstanding success of our students in the Sixth Form, with such a high number achieving the top grades. Every student who applied to university this year was accepted to study their chosen courses along with others who have gone onto Higher Apprenticeships and the world of work. The staff go that extra mile for the students. These results demonstrate that the school is continuously providing high quality education to students and that our young people feel challenged and supported to achieve their very best."*
