

St. Joseph's School and Sixth Form

Becoming fully human in Christ

10th September, 2021

Dear Parent / Carer,

As we come to the end of the first week of school this academic year, we do hope that your child feels settled and confident with us at St. Joseph's.

The SIMS App

We are aware that there have been a number of problems with the Sims app for Year 7 parents and careers. These are related to some technical issues that we are trying to work through. Many of the issues relate to incorrect email addresses being stored in the digital files that have been passed to us. We appreciate your patience as we seek to get everyone registered with the app, and apologise if you have contacted us about the app and not yet had a return call.

Please be assured that no messages from us will be shared solely on the app until we are confident that everybody has had the opportunity to register. Until we reach that point, all important news and information will be shared via letter.

If you have not received your invitation for the Sims app, could you please phone or email the school with your current email address. If you have already done this in the last week there is no need to do it again.

Break and Lunch Canteen Facilities

From Monday onwards, Year 7 pupils will have the opportunity to pre-order their break and lunch food if they wish to. The pre-ordered food will be brought to the canteen for pupils to collect. Year 7 pupils will still be able to access the normal canteen facilities during break and lunch if they do not wish to pre-order. The process of pre-ordering food will be explained to Year 7 pupils on Monday morning.

Yours faithfully,

Richard Pyke
Assistant Headteacher
