

26th May 2023

School Uniform Adjustments (Summer Term 2023)

Dear Parent / Carer,

Now that we are moving into the final half term of the year, I am writing to inform you that there is some relaxation and adjustment of our school uniform rules for the remainder of this summer term. From Monday 5th June, on our return to school, the following is what we expect to be worn from all students in Years 7 to 10. ('Option A' or 'Option B')

Option 'A' – School Uniform

White shirt (*short or long sleeved*)

School tie

Trousers (*Black*) – No denim

Black socks & Plain black footwear

Coat – Waterproof (*no hoodies / no zippers*)

Optional items: School blazer, school jumper (plain black with the school badge)

Option 'B' – St. Joseph's Unisex PE / Games Kit

Top – Slate Grey (Official St. Joseph's item)

***Shorts - Slate Grey** (Official St. Joseph's item) - Black or grey shorts as an alternative are allowed

***Not** Nike Pro styled cycle shorts / **Not** Neon stretch hot pants / **Not** any style of cycle shorts

Top Layer $\frac{3}{4}$ Sleeved Zipper – Slate Grey (Official St. Joseph's item) Optional

Plain black leggings / joggers (Optional)

Socks / Sports footwear

**Our previous unisex green & red PE/Games Kit can be worn until the end of this academic year*

Coat – Waterproof (*no hoodies / no zippers*)

If pupils do not have the correct PE kit, then they must wear their school uniform (Option 'A').

Blazers will be an optional item from June 5th and up until the end of the Summer Term.

Coats are no longer to be worn in classrooms during Morning Care / Lessons.

There is to be no combination of uniform items (Opt 'A') with PE kit (Opt 'B') and vice versa.

Hoodies, zippers and denim of any description are not permitted in school. Please also note that facial piercings are not allowed either, and that hair colour should at all times be natural.

Thank you in advance for helping our students to dress appropriately and look smart for school.

Mr. L. Dean

Assistant Headteacher
