Sixth Form Kintbury

After struggling to have enough Sixth Form students to go on retreat to Kintbury post Covid, six students joined St Paul's School (Milton Keynes) in October for their retreat. Besides taking time from ordinary life to reflect on their lives and to connect with God and make new friends, they took part in a variety of activities such as team games, Emmaus Walk, archery, quizzes, etc. Music was also an important part of that retreat. Two of our own students are members of a band so they particularly enjoyed playing with students from St Paul's. The whole experience was described as uplifting. One of the students who came to St Joseph's from Cwm Brombil said, 'you only know what it's like if you have been to it'. Other students said:

'Kintbury was one of the greatest experiences of my life. Praying made me feel relaxed and the meaning of the prayers will inspire me throughout my life. Team activities were fun. We had many challenges. It was amazing.'

'Kintbury was an amazing experience! I felt that I could be myself and learn how to be a better version of myself. I loved the activities we did, and it was fun making new friends from a different school.'
