

St Joseph's Catholic High School & 6th Form Centre

School Self Evaluation Summary 2024-25

Our Catholic Mission

Rooted in Gospel values, we aim to nurture every child spiritually, academically, and personally. We strive to create a caring, inclusive community where all pupils feel valued and supported.

Teaching and Learning

- The curriculum is broad, balanced, and thoughtfully planned to meet diverse learner needs.
- Strong teaching practices create purposeful and inclusive learning environments.
- Pupils make good progress in literacy, numeracy, digital skills, and Welsh language.
- Areas for development include strengthening digital skills and promoting Welsh history and culture.

Well-being, Care and Guidance

- Pupils feel safe, respected, and supported.
- Strong safeguarding culture and effective partnerships with external agencies.
- Attendance is well monitored; persistent absence is addressed.
- Pupils have opportunities to lead and influence school life.
- High-quality advice for future education and careers.

Leadership and Management

- Leaders committed to equity and inclusion.
- Effective use of data to improve teaching and pastoral care.
- Strong culture of professional learning for staff.
- Focus on staff well-being and workload management.
- Continuing to refine self-evaluation to sharpen focus on pupil progress.
